JOINT MOTION TO EXTEND DISCOVERY PERIOD

The parties jointly move the Court to extend the existing discovery cutoff by 60 days, from November 5, 2015 to January 4, 2016. The grounds for this motion are that there are three pending motions before the court, and the parties would prefer to have these motions decided before scheduling depositions and additional discovery.

The following motions are currently pending before the court: Defendant Bake One Inc.'s motion to dismiss or for partial summary judgment; Defendant Munroe Foods 2 LLC's motion for judgment on the pleadings; and Plaintiffs' motion for leave to file a second amended complaint. The parties have not yet

scheduled depositions, as they are awaiting the court's ruling on the pending motions before doing so. An extension of the discovery cutoff would help ensure adequate time for completion of discovery while still permitting a timely resolution of this case.

For these reasons, the parties jointly and respectfully request that this Court extend the existing discovery cutoff by at 60 days, through January 4, 2016.

Respectfully submitted this 27th day of October, 2015.
